

I believe you have rented a car at the airport: in that case you probably get a map of Guadeloupe as well. This will help you.

When you exit the airport look for **BASSE TERRE / DESHAIES** direction.

After the second round turn, you will be on a 3 ways lane highway, keep going for 3 /4 kilometers, then follow the National Street "N. 2 " **SAINTE ROSE / DESHAIES** direction.

Once you arrive at **Deshaies**, you still have 7 kms to go to **Ferry**.

Ferry is a very small village.

At the very end of it, you will see on your right hand site a beach called **PLAGE LEROUX** and the restaurant "**AU BON ACCUEIL**".

At that point, turn left on to **CHEMIN DE BORNAVE** , Keep going for 30 meters and the hotel in on your right hand site.

AU 'TI SUCRIER has white roofs and pink walls.

Please, remember to take our phone number along with you, just in case.
